

2021-11-16

Highlights in this release

[Report tool - Punctuation - Capital letters](#) (NUTXTWEB-346)

This rule will give the user a warning if capital letters are not respected after the use of punctuation.

Fixes in this release

Time offset changed when batch editing file information in Filezone (PTF-458)

Updating the information for multiple files in Filezone with Quick edit / Batch edit had the unfortunate effect of resetting any time offset values for the selected files. Now fixed.
