

2021-12-01

Highlights in this release

Plint Core - Increase .container size (Bootstrap / CSS) (KERNEL-897)

As screen resolution overall increases, so we must follow. Plint Core pages are now somewhat wider by default.

See ASR status and history (KERNEL-940)

If your site has [ASR support](#) enabled, you can now see the start and end events of ASR tasks on the *Job history* tab when editing a job.

Bug fix: Still problems with changing File properties in Filezone (PTF-489)

Yeah, we think we finally squashed it, including all known edge cases.
