

2022-03-15

Highlights in this release

Additional fee info in joblist view (KERNEL-1051)

Being able to see price calculation method and currency when showing job fees in a joblist will be a welcome addition for many project managers. (Tip: "R" = Resource matrix, "C" = Custom fee)

[2022-03-20-15_48_52-The-money-project---Plint.png](#)

Adjustments to Application form and Application management (KERNEL-1093)

Succinctly put, applying as a newbie is now possible.

GraphQL: support for additional queries and mutations (KERNEL-1014, KERNEL-1096, KERNEL-1098)

A lot of work is currently going into GraphQL.
