

2023-02-07

Highlights in this release

GraphQL: Access part data directly from job (KERNEL-1645)

Until now, it was impossible to access data about the part (such as number of units) for jobs that were not linked to a translation node. Now it's possible!

GraphQL: filter projects on tags, title and project type (KERNEL-1646)

More project filters you say? Here you go!

Revision #1
